

### ***Scene 1 - Well-bred***

Once in a while two guys get together and the fit is fuckin' perfect. You've experienced it. It's suddenly like two men become parts of a bigger and wilder animal. It's a matter of lust and chemistry, and the mix was just right with top-stud Austin Shadow and Christian. This was one of those rare moments in porn where hardly an edit was needed to make it perfect. The fucking between these two was . . . flawless.

### ***Scene 2 - Tantalizing Treat***

As much as he is an amazing cumdump, Christian is also a consummate cocksucking jizz drinker as demonstrated in this tantalizing poolside blowjob. Kneeling at the foot of skater punk Billy and his massive uncut meat, our resident cockhound worships the boys dick --- licking and slurping and begging to be fed a good load of Fresh Grade A sperm.

### ***Scene 3 - Christian and Ethan Sexxtin***

When Christian learned that stud Ethan Sexxtin was in town for a family reunion he called us up and demanded a chance to get Ethan's big ol' bull-cock up inside him.

Ethan and his buddy Dave were hanging out in their hotel room and what followed was a raucous improvised world-class sperm-soaked suck-n-fuck three-way. But what you can't see is that ETHAN's entire family is in the next room. And the walls are fuckin' paper thin. Christian is far from a quiet fuck, and by the time Ethan and Dave got around to a rough big-dick hole-stretchin' doublefuck, the entire town could hear his helpless fuck-me squeals

### ***Scene 4 - Linin' Up***

Christian "entertains" a roomful of horny studs in need of release. One after the other, these dudes squirt big thick gobs of hot sticky sweetness all over little Christian's eager smiling mug. All this guy wants is cock, cum, and more of both! By the end of the scene Christian's face is a mess of overlappin' sperm trails, and his tummy is swimming with a mixed-up happy-soup of semen.

### ***Scene 5 - Christian & Sean Hunter***

Sean Hunter, a young raw topman put in a request for a chance to ride Christian's obliging butt. And we are never one to say no to a

good idea.

In Sean's living room, Christian bent over and offered up his ass and Sean slid his big extra-long schlong deep and set to riding Christian hard.

A very hot energy to this pair-up: if assholes fall in love, then Sean must still be getting love-notes from Christian's hole. Just as he's about to shoot his load, Sean pulls almost all the way out, shooting his load extra shallow inside Christian's pooched-out pucker. Sean gets Christian to squirt the fresh jizz into his hand and then he happily laps up every drop like a good li'l hungry puppy.

### ***Scene 6 - Luv Feastin***

The unstoppable Christian is up 'n' at 'em again, ready to blow some more. Cockmaster Lloyd and hung, uncut Adrian are more than happy to oblige. While Christian is the consummate cock-slut, luv'in' every cock on the planet, you can see that he immediately falls for ADRIAN's long fat heavy-hangin' dong - with its thick overhang of foreskin.

This is some of the hottest cock worshipin'. It got so electric that, while shooting the action, cameraman Damon Dogg got all worked up and had to pull out his own cock to feed it to the insatiable cumpup.

### ***Scene 7 - Christian's Brutal Gangbang***

Phoenix Michaels, Franco Dax, Eric Wolfe, Brett Anderson, Alex Pitt, Austin Shadow and Ben Jones join forces to fuck the livin' daylight out of Christian.

Christian likes it rough. He likes to get fucked so hard that he can still feel it a couple of days later. So these brutal fuckers had free rein to fuck that smooth perfect man-ass as hard and deep as they could.

One of our favorite moments is when Christian is gleefully taking the full length of Eric Wolfe's big ol' cock but the fucker isn't porking him as hard as he wants it. So the plucky bottom suddenly reaches up and slaps Wolfe hard in the face. This gets the reaction he wanted--- but good.

### ***Scene 8 - What Happened To Nice***

You've heard the term "power bottom." Men use it all the time but rarely know what it truly means. To get the definition of the real-deal power-bottom, just take a gander at Christian. This man is the quintessential no-nonsense, dick-taunting cum-sponge, an absolutely insatiable cockslut with no limits whatsoever.

In this fuckfest, we threw together a group of men--true power tops, any one of whom, alone, would give Christian a run for his money. At first Christian is cocky. He jokes with the guys, goading them with taunts like, "Is that all ya got?" But halfway through, the world-class bottom whore gets it: he's in for a ride where he's no longer in charge.

These men are serious rammer-slamers and they're gonna fuck him till he breaks. Christian doesn't even get a moment to breathe as cock after cock rams and slams both his holes simultaneously. All five dominant bullstuds--including Calvin, Mike Mexitop, Curtis, Mark, and Craig--take turns thoroughly claiming each hole over and over and over, filling him to the brim with spoooge.

After one last brutal pounding from long-haired Mike, Christian confesses that they've broken him--with a truly satisfied grin on his face.

### ***Scene 9 - Anatomy of a Gangbang***

Christian has already proven himself to be a crowd-pleaser in every sense of the word. Not only do you T.I.M. men love him and beg to see more, but put this whore-boy in a room full of charged-up studs and it's a wonder to watch him go to work. In this scene, the angelic slut takes on a raunchy gang of men who use and abuse him until the poor bottom's ass is dripping hot cock-juice. The gangbang itself is solid white-hot action delivered by the likes of Daniel Bradford, Cory Brandon, Javier, Kurt Kaiser, Chris Rod and Sean Victor.

But it's actually Marcelo Masko who delivers the goods in one of the most voracious felching performances we've ever seen. This handsome charming young man dives in and gobbles and sucks the dickjuice fresh 'n' tasty straight from bottom's pucker, pooched-out and gaping. If you have an appreciation for felching, you won't want

to miss Christian's hole releasing fresh spouts of seed from deep in his guts straight into Marcelo's impish grinning mouth.

### ***Scene 10 - City Hole***

Christian isn't used to begging. When you look like he does and have a fuckhole that's a worldwide legend you don't have to work hard to get what you want. But he begged and whimpered when we hooked him up for a return fuck with Eric Wolfe.

In this meaty one-on-one under the city lights of Manhattan, Eric fucks Christian, reveling in doing what a man with a cock this big can do. And he can do a fuckin' lot! This is a truly fine fuck connection. Eric plows Christian deep and deeper with that 10" man-breedin' equipment of his, until he pleads to feel a hot load of sperm shooting deep inside him.

### ***Scene 11 - Crucified***

Christian has a fetish for huge toys penetrating his hole, so we brought in super-hung Latino porn star Tony Serrano for his long-overdue Treasure Island Media debut. Tony works Christian over with a variety of "interesting" dildos and butt plugs---including a fire-engine-red crucifix.

### ***Scene 12 - Resurrection***

After giving Christian's hole the crucifixion it required, Tony can't hold back and finally steps up to breed the boy's ready butt. He plows, pounds and digs for gold with his massive uncut prick before sperminating the man's willing ass.

### ***Scene 13 - Confession***

Christian stops at a tearoom and encounters horse hung Kurt Wood. He drops to his knees to taste Kurt's meat. Then Kurt bends him over the toilet---and is genuinely surprised when he tastes all the cum already leaking from Christian's ass. Before long, Kurt has Christian staked in the stall and adds his juice to the already cum-filled hole.

### ***Scene 14 - Eucharist***

A late night early morning hotel gangbang finds Christian at the center of a room full of horny men waiting to use him. Brandon Aquilar, Ryan Foxx, Carl Filmore, Dimitri Santiago, and Zachary

Blackwell take turns going back and forth filling both our hero's holes until the cum is overflowing and Christian is covered in sperm.

### ***Scene 15 - Christian & Mr. Marky***

Mr. Marky is an aggressive, brutal topman with an indomitable drive to get off. Simultaneously he's an all too adorable male specimen who approaches each new hole with the enthusiasm of a kid in a candy store--including his endearing signature thumb-sucking during and after fucking.

When Max first met the ebony top, he knew immediately there was only one hole that could handle that 11.5" slab of monster cock. Only Christian could get jabbed down to the last inch and still ask Marky to "make it hurt." Mr. Marky expresses the resolution of this fuck session best when he declares toward the end that Christian is "seeded really good!"

### ***Scene 16 - Meat***

When megahung Hot Rod discovers notorious slut bottom Christian waiting in the MEAT RACK, his primal instincts kick in and in no time at all, he has the ravenous fuck junkie bent over a tree trunk, impaled by his 10-inch monster of a cock. Even after Hot Rod breeds poor Christian's hole with a huge load of cum, the domineering stud keeps plowing away with astounding relentlessness, until he drives a second payload of his precious nut into that greedy hole. Christian slurps up every drop of sperm--and then, good cumwhore that he is, implores the stallion topman to stick it in one more time.

### ***Scene 17 - Christian & Trevor Snow***

The air is thick with anticipation as Christian, blindfolded and gagged, waits on his knees. As soon as the gag comes off, Christian dives in and gorges himself on Trevor's meat, driven by instinct and need. Once the blindfold is gone, Trevor pulls Christian to his knees, only to bend him over and eat out his sweet ass. Replacing his tongue with his turgid cock, the topman thoroughly pounds Christian into submission in multiple positions, ultimately dumping a white hot load of gooey spooge.

### ***Scene 18 - Christian & DJ***

When Christian first saw DJ he told us he wanted his load. Starting off on his knees, Christian uses his mouth to prepare DJ's perfect

cock for his hole. Once they get going there is no stopping the powerful pounding that follows. On all fours, on his back, riding his huge cock, DJ and Christian strike a rhythm that can only lead to one thing.

When Christian wants someone's load it is a pretty safe bet he is going to get it.

***Scene 19 - Full Moon Gangbang***

TIM exclusive Drew Sebastian leads a pack of rabid tops wrecking Christian's hole. Red, Jimmie Slater and Devin Moss take turns ravaging the boy and he takes every thrust as only Christian can. This scene includes an amazing orgasm inducing double penetration breeding as Drew and Red open the boy's hole up with their massively thick cocks.
