“There is no better moment than the one when a man tells you to SUCK IT. Direct and straight to the point. Any lucky cocksucking pig knows exactly what his mouth is for. This is a great collection of horny NYC men showing off their dick worshipping skills.”

\* \* \* \* \*

SUCK IT is Max Sohl's first full length all oral swallow video. He brings the same hardcore aesthetic that he has become known for in his fuck tapes to this series of cock worship and cum swallowing. From the gloryholes and the boothstores of Manhattan to private apartments and tearooms, dick after dick is serviced with one driven goal: to make each cock explode ropes of jizzy sperm down the throats of the hungry men who lust for cum in their bellies.

Starring TIM Exclusive DJ with Morgan Black, Peto Coast, Tony Bishop, Jeremy East, Jack Handler, Randy Harden, Ross Scott, Dominic Sol, guest appearances by Christian and Antonio Biaggi featuring a total of 40 men and an impressive 30 cumshots!

## **SCENE DESCRIPTIONS**

### **1) HANDLING KEIRAN**

Keiran and Jack Handler

Big-dicked Aussie fan favorite KEIRAN opens SUCK IT with an intense, body-shaking blowjob from muscle daddy JACK HANDLER. Jack takes great pride in servicing Keiran's great white cock to completion, making sure not to spill a single drop as he expertly handles the man's huge 10-inch+ meat.

### **2) SERVICING PETO COAST**

Peto Coast and Dominic Sol

Any man in his right mind would drop to their knees for PETO COAST. The lucky man, in this case, is DOMINIC SOL. The two moustached studs are hot for each other right off the bat and domineering Peto begins to face-fuck Dominic in his own signature style. Sol takes every delicious inch and surprises even Peto with his thirst

for cum. Peto can't help but spill his creamy load all over Dominic's luscious lips and down his hungry throat.

### **3) ONE AFTERNOON AT A NYC GLORYHOLE: PART ONE 12:45 pm**

Jeremy East and Dick #1

One man sucks off an endless parade of horny dicks at our very own Treasure Island Media NYC gloryhole constructed especially for SUCK IT. Cock connoisseur JEREMY EAST begged us to include him in this feast of flesh. We wanted to see how long he could handle an extended throat pounding. We locked Jeremy away on his knees and over an 6-hour period whored out his mouth - - - inviting anyone and everyone we could find to spill their seed down his hungry cum gullet. These scenes are the crème de la crème as rods of all sizes, shapes and colors showed up to get off.

Part 1 features a massive dick that has fun teasing Jeremy's eager mouth until he is begging for jizz.

### **4) NO STANDING AROUND**

Morgan Black, Randy Harden, Rocky DiMarco, and Mike Massey

Nothing like a Big Apple video booth store for finding horny men who need to unload. MORGAN BLACK hooks up with executive slut MIKE MASSEY suited up in the arcade and is coerced into the stall adjacent to him. Meanwhile, RANDY HARDEN gets ROCKY DIMARCO's attention by pumping his meaty rod through Rocky's suck hole. Mike and Rocky both begin to suck the anonymous tools until Morgan and Randy join them in their own booths. Mike steadily savors Morgan's meat in his mouth while Rocky gets a hardcore face-fucking from thick-dicked top, Randy Harden, that leaves both the cocksuckers soaking wet.

### **5) ONE AFTERNOON AT A NYC GLORYHOLE: PART TWO 1:30 pm**

Jeremy East and Dick #2

Part 2 of our gloryhole extravaganza is a quick encounter - - - from soft to hard and shooting. That's the thing about gloryholes - - some guys last forever relishing in each licking stroke and some guys can't hold back from the simple joy of a mouth on their prick.

### **6) DEME LA LECHE**

Eddie Kordova, Sal, Armando Edgardo, Iraq, and Dimitri Santiago

Enthusiastic and obedient newcomer EDDIE KORDOVA heads up this all-Latin oral gangbang. We told him to get on all fours and service the sperm out of three of his hot and hung Hispanic brothers. SAL, IRAQ, and ARMANDO EDGARDO smack Eddie around with their dark cut and uncut meat. Eddie takes every inch of Sal's foreskin while tonguing Armando's head and digging deep into Iraq's fleshy pole. Eddie barely handles all the pulsating pinga flying at him at first, choking and gagging, eyes bulging and wet, but, like any skilled cockhound, he takes command of the trio and has them cumming almost simultaneously. And just when Eddie thinks he's done, surprise big-dicked Dominican stud DIMITRI SANTIAGO drops in to drop off some fresh leche of his own.

## **7) ONE AFTERNOON AT A NYC GLORYHOLE: PART TWO 2 pm**

Jeremy East and Dicks #3 and #4

JEREMY takes on two more schlongs, back-to-back, in this double-header. Who is in control at a gloryhole? The man being sucked or the happy cocksucker doing the sucking?

## **8) BLOW AND GO**

Tony Bishop and Jack Handler

TONY BISHOP isn't much into foreplay. A man has his needs. He goes over to JACK HANDLER's for a classic anon "blow and go". Jack orally obliges. The pair don't make it past the foyer before Jack is on his knees and Tony is pounding his hot rod down Jack's accommodating throat. Tony's infamous tatted cock is gobbled up by Jack before we barely even have time to see it. Jack handles Tony's throbbing, veiny piece with expertise and has Tony blowing thick wads of creamy cum down his throat faster than you can say "Lunch Break", or as Tony puts it "Open Your Mouth"!

## **9) ONE AFTERNOON AT A NYC GLORYHOLE: PART FOUR 3:15 pm**

Jeremy East and Dick #5

Part 4 features a gorgeous guido's sausage from down the shore. You'll have to trust us on his looks - - - but you'll have no problem seeing the massive geyser of cum that emanate from the New Jerseyian's meathead.

## **10) "SHIT, NIGGY"**

Rogan Hardy, Kannon, and Enigma

ROGAN HARDY has a special talent when it comes to sucking a one-eyed monster. He came to us with hundreds of his own home movies doing just that. He fantasizes about sucking dick in public, so we were happy to go along to a near by tearoom and witness horse-hung B-boys KANNON and ENIGMA as they live out the fantasy in the bathroom of a local bar. It's an all-out Black-on-Black spoogefest as Rogan blows the boys dry and swallows every drop of their chocolate milk.

## **11) ONE AFTERNOON AT A NYC GLORYHOLE: PART FIVE 4:40 pm**

Jeremy East and Mike Cruise

JEREMY EAST downs his final shaft of the day and gets a surprise when MIKE CRUISE wants more than a mouth through wood. Mike rounds the corner to feed his load to Jeremy, skin-to-skin, making sure every drop stays in his belly.

## **12) FEED-N-SEED CLUB**

Ross Scott, Jake Mitchell, Sean Parker, Rob Yaegerman, Steven Shields, Christian Marks

The Feed-N-Seed Club is a place where horny like-minded White boys watch football, drink beer ... and get their seed sucked dry. Sperm servant ROSS SCOTT goes long on every inch of this special Boys Club cocks and happily laps up their baby batter. First down is SEAN PARKER, who demandingly face-fucks Ross into submission, inciting newly drafted CHRISTIAN MARKS to make his pass at cock coach JAKE

MITCHELL. Ross sets his sight on the goal—swallowing every load—and tackles each package with precision until the entire team dumps their creamy loads down Ross' appreciating gullet. Christian saves his spunk for overtime and feeds it to Ross for the final touchdown.

### **13) DJ GETS A BLOWJOB**

Antonio Montez and DJ

DJ gets a blowjob. What more do we have to say? A fine specimen of a man with a fine specimen of a cock to match – this is part of what happened when TIM hosted a NY Suck Dick Save the World Party. We brought in our best mouth to service a room full of horny men. This is just one highlight with DJ unleashing a geyser of manjuice that left every one at the party gagging for more. The full party edit can be seen in the DVD bonus scenes.

### **BONUS SCENES**

#### **14) FREE PIZZA**

Antonio Biaggi and Justin

Top fuck stud ANTONIO BIAGGI is well-known for his massive member, but not many are aware of his insatiable hunger for sperm. Biaggi relayed to us how the last time he was in the city he sucked off the pizza guy. For real. Max was quick to have some fun when Pizzaboy JUSTIN delivers more than just a hot pie and Antonio seduces him with an unexpected blowjob. Justin quickly caters to Antonio's wishes and stuffs the meat lover's mouth with his girthy sausage. Justin shoots a supreme-sized into Antonio's hungry mouth. Torn from the pages of his own black book, you'll be taking this tip from Biaggi on how to get the ultimate free pizza.

#### **15) ONE DAY AT A NYC GLORYHOLE: BONUS 4 pm**

Jeremy East

JEREMY EAST downs one last chocolate tube steak during his stint at our NY office gloryhole.

#### **16) LIVE BOYS!**

Antonio Montez, Christian, DJ, Hot Rod, Eli Pumper, Ian Rock

This full scene edit shot on location at our very first New York City Suck Dick Save The World Party. ANTONIO MONTEZ was assigned designated cocksucker and load swallower. He takes on big black dicked pornstar HOT ROD and big daddy IAN ROCK, followed by Treasure Island Exclusive DJ. CHRISTIAN and newcummer ELI PUMPER get some hot side-action going before Montez finishes off the rest, lapping at every lick of manjuice.
