

TIM-205 BRUTHAFUCKERS – VOLUME 1

SCENE 1 – LAST SUPPER (Scene 8 from Christian's 24 Cocks in 24 Hours)

The grand finale stars CHRISTIAN getting fucked on a table by a room full of colossal-dicked, black top men. We don't usually bring in fluffers, but right before the scene was shot, new T.I.M. exclusive JAMES ROSCOE called to let us know he was in town and horny to suck cock; what better way to get these huge cocks ready to fuck CHRISTIAN?

Then each top takes turns—one after the other—impaling CHRISTIAN's now sore butt hole over and over, before blasting streams of sperm into his aching cavern.

Scene 2 – FLEXX & RASHAD (Scene 7 from BONE DEEP)

A smooth, easy, satisfying fuck. Atlanta stud FLEXX makes RASHAD do all the work while he sits like a king in his easy chair. RASHAD happily sidles up and slides down on FLEXX's big boner. And when FLEXX wants his fuckpole cleaned up after it's all slick with fuckin' ass juice and jizz, RASHAD is happy to slurp up all that tasty goodness.

Scene 3 – Mr. Marky Vs. Christian (Scene 1 from Sperm Assault)

MR. MARKY is an aggressive, brutal topman with an indomitable drive to get off. Simultaneously he's an all too adorable male specimen who approaches each new hole with the enthusiasm of a kid in a candy store—including his endearing signature thumb-sucking during and after fucking.

When Max first met MR. MARKY, he knew immediately there was only one hole that could handle that 11.5" slab of monster cock: T.I.M. Exclusive CHRISTIAN. Only CHRISTIAN could get jabbed down to the last inch and still ask MR. MARKY to "make it hurt."

MR. MARKY expresses the resolution of this fuck session best when he declares toward the end that CHRISTIAN is "seeded really good!"

Scene 4 – Anton & Wade Breed Toby (Scene 6 from Wild Breed)

Shaven-headed TOBY is probably the most adventurous cumdump I know. He's been fucked everywhere, from the London Underground (100 meters below ground) to the London Eye (in a transparent pod 135 meters above the city).

Getting a reaction out of TOBY takes a special kind of cock. Fortunately, WADE has exactly that. Fans of UK BEEF BANGERS will remember the beautiful 10 incher with an eye-watering girth that lives between WADE's thighs. It's enough cock to have anyone gnawing on the proverbial pillow—even TOBY has to brace himself for this one.

Rock-solid top ANTON gets to play "dummy dick" (that's the cock stuffed down a bottom's throat that helps take his mind off whatever's stretching his asshole beyond all recognition). In return, ANTON has the pleasure of sliding his meat into what's left of TOBY's puffy, fucked-out cumhole after WADE finishes seeding it.

Scene 5 – Sodomy (scene 5 from Up The Gut)

Two super-tattooed black men fuck like dogs in heat as ANGYL VALENTINO offers his hole to one of the biggest, fattest, thickest, meatiest cocks around. HOTROD, the man attached to that impressive dick, is overjoyed to massacre ANGYL's hole.

Fucked and re-fucked on a table, ANGYL's ass gets pummeled over and over again before HOTROD delivers a series of voluminous spurts of sperm into his hole.

Scene 6 – 3PM (Scene 5 from Breeding Marcus Isaacs)

CutlerX and Adam Russo love to tag team a bottom. Bounce him around and toss him from dick to dick and generally make sure both his holes are filled at all times. Ass to mouth cum to hole, Marcus doesn't get a chance to catch his breath as the two relentlessly impale the boy with their monster cocks. This is the first TIM fuck scene for both CutlerX and Adam Russo.

Do you wanna eat my cum?

I want it in my hole.

You want it in your hole baby?

Yeah.

OK, we can do it in your hole too.

Scene 7 – Nut Me Up (scene 4 from UK Beef Bangers)

I get a lot of requests to see DAWSON getting pummel-fucked by the most aggressive and biggest cocks in porn. And DAWSON--and his constant hunger for cock--is unequalled. Toss him a brutal deep-fuck from a horse-dick stud and when it's over and he's oozin' jizz from his sweet li'l butt-pucker he'll look up with that legendary mugg of his, smile like an angel and ask if there's another cock waitin' to pork him.

So Max pulled together three men who collectively have more meat amongst them than you'll find in a Dog Patch on a bloody Monday morning. JIGGY MANN, WADE ("the Arabian stallion") and NUBIAN KING work DAWSON's hole to the limit. Even DAWSON, the world's definite meat-meister, is a little overwhelmed by these big fat black weapons. If fucking were an Olympic event, this is DAWSON goin' for the gold!

Scene 8 – White Nut for a Black Butt (Scene 2 from Ass Stretcher 7)

The older he gets the hotter he looks - our French Black Bottom "veteran" BEN. The sexy muscle boy is pushed to his limits by Esteban's horse dick, and is rewarded by a "horse-load" of jizz deep down his guts.

The biggest dick since Wade, the most aggressive fucker since Mauricio and the biggest loads of jizz since Igor - welcome to the MACHO FUCKER-family, ESTEBAN! BEN is a French-Caribbean Bottom-stud with a well-trained body, a pretty boyish face, but a deep dirty mind. Getting rough fucked, being treated like a slut, having the biggest dicks up his guts - this is what he lives for.
